Screenwriting

Hobbies

Outside of it being my work, art is still my greatest passion and hobby. I enjoy video games, especially e-sports and competitive gaming and am looking to enter the gaming industry via animation and concept art. I enjoy exercise and martial arts as well as writing.

Languages

English

Afrikaans

Profile

Passionate artist and animator with formal training in motion graphics and both 2D and 3D animation via a Bachelor of Arts at SAE Institute, Cape Town. In 3rd year of university at SAE, my team and I were awarded the best animation production. I am experienced in both digital and traditional art, looking to specialize in concept art such as character and environment design as well as 2D animation.

Education

Bachelor of Arts In Animation and Motion Graphics, SAE Institution, Cape Town

MAR 2023 – MAY 2026

Graduated with awards for best animation production.

Extra-curricular activities
